

EDUCATION TECHNOLOGY LEVEL 1 CERTIFICATION

To receive the Level 1 Certification, attend 14 of the following classes and complete 4 30-minute observations with your school's Education Technology Specialist. The course will be available for the 2017 - 2018 year from September 18th - August 3rd. Participants will receive a \$275 stipend and 2 USBE or SUU credits, which can be applied to the Education Technology Endorsement. Badges will also be awarded for demonstrating competency after each class session.

Classes will be held online and/or in-person at the CAB-East Computer Lab from 4:15 - 6:15 pm, unless otherwise specified online at <http://etc.canyonsdistrict.org>.
