EDUCATION TECHNOLOGY
LEVEL 2 CERTIFICATION

The Level 1 Certification must be completed before participants begin the Level 2 Certification. To receive the Level 2 Certification, participants must complete 13 of the following modules online via Canvas and complete 6 1-hour observations with your school's Education Technology Specialist. Modules can be taken in any order and are available for the 2017 - 2018 year from September 18th - August 3rd. Participants will receive a $400 stipend and 3 USBE or SUU credits, which can be applied to the Education Technology Endorsement. Badges will also be awarded for demonstrating competency after each module.

Classes will be held online and/or in-person at the CAB-East Computer Lab from 4:15 - 6:15 pm, unless otherwise specified online at http://etc.canyonsdistrict.org.
