

Canyons School District
Information Technology Department
9361 S. 300 E.
Sandy, UT 84070
801-501-1040

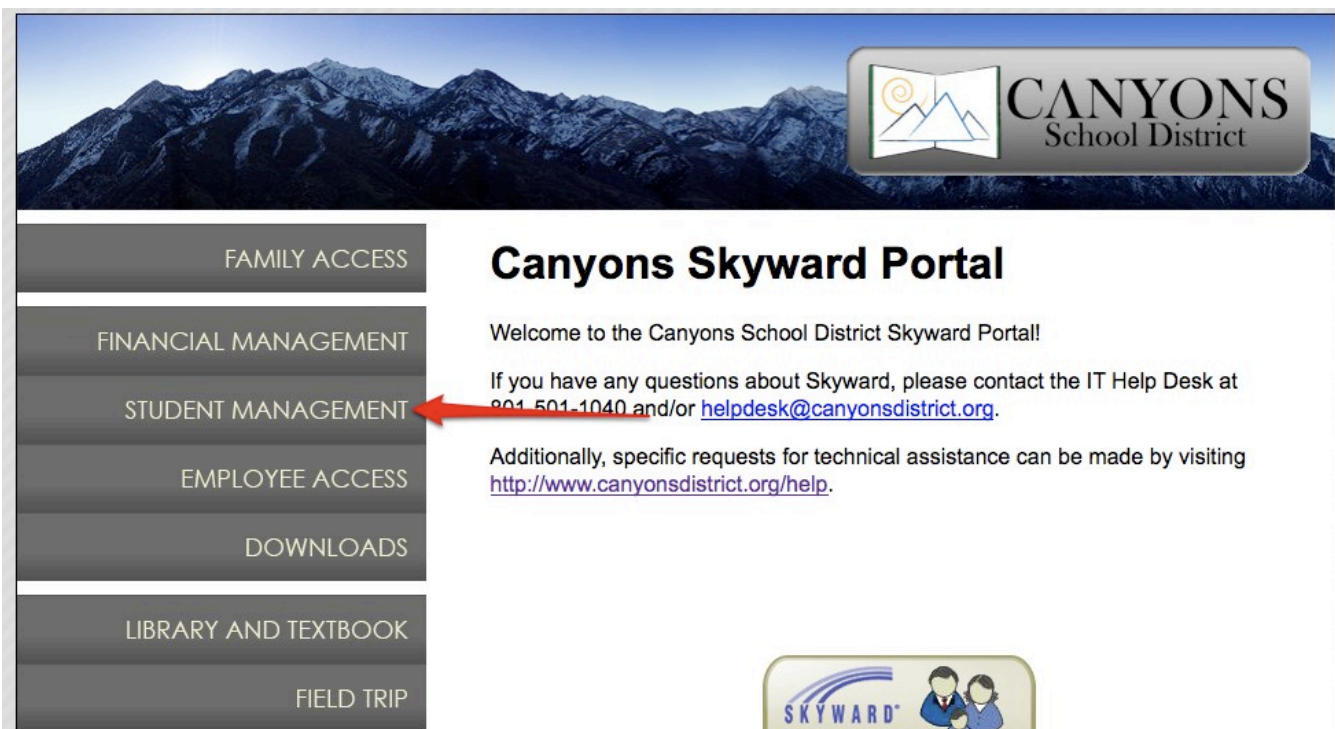

Changing Your Skyward Password

To maintain security, teachers are required to change their district passwords each quarter. You will be prompted by Skyward when it is time to change your password. When you receive that prompt, follow these instructions to change your password:

From the district website, click on the link for Skyward Access.

On the Canyons Skyward Portal page, click the link for Student Management.

Click "Change Password".
