### Individual Student Display

- Days Absent indicates the number of days that students have been absent over the course of the entire school year.
- Times Tardy indicates the number of times that students have been tardy over the course of the entire school year. Some schools have one, four, and seven potential times a student might be tardy in any given school day.
- Report Cards are often available for students in secondary schools (link located to the right of the student's photo).
- History links to graphs and tables of available data
- Cut Scores provide additional information regarding score relationships
- Blank data in any field simply indicate that particular scores are not available.
